# FOREWORD

We wish to extend a warm welcome to all of you to Liss and Lisduff Angus Centenary Celebration Weekend to mark 100 years of McEnroes farming at Liss.

The farm at Liss was purchased by John McEnroe in 1924. His son Bartle Mc Enroe (Batty) bought his first Aberdeen Angus heifer, Diana of Lakeview, from his uncle Bernard in 1953. This established the Duchess of Liss cow family and Liss Aberdeen Angus Herd, thus beginning Batty's lifelong love of Aberdeen Angus cattle.

Batty kept his cattle true to a type, an honest and hard-working cow of moderate frame size. Producing correct functional cattle that exhibited high levels of breed character and confirmation. Building a renowned herd over time. Batty instilled this breeding philosophy in his sons, who have in return passed the breeding tradition on to their children.

Batty's legacy still lives on in Liss with many of his established female lines still to the fore. Batty's son John and his grandson Sean have followed in his footsteps managing and expanding the Liss Herd. His son Leo started Lisduff Angus in 1993 with Duchess 10th of Liss as his foundation female. Leo has since expanded the Lisduff herd with his Son's to 160 Pedigree breeding females including 110 black Angus and 50 red Angus.

Throughout the last 20 plus years both herds have stuck to their breeding philosophies. Producing moderate framed, thick chunky angus cattle while retaining the classic breed character of the beautiful angus head and ears. With both herds going through expansion, functional hardworking cattle have been vital to success in a low input grass-based system. Like Batty we do not believe in extremes. The emphasis has always been on and will continue to be on, breed character, confirmation and functionality.

These fundamental breeding requirements underpin our breeding strategy. The ultimate aim is to meet the economic requirements of our customers in an ever-changing market.

This summer from the 8th to the 10th of August the two herds are coming together to have a Centenary Celebration Sale and Tour. On Friday 8th August we will have the herd visit at Lisduff and Liss starting in Lisduff at 9:30 am. On Saturday 9th August we will view the sale cattle starting in Lisduff at 9:30 am and then the Centenary Celebration Sale will commence on farm in Liss starting at 3:30pm. This will be a live sale, done via video auction. The sale includes 50 quality heifers and 10 select bulls. On Sunday 10th August we will all go to our National show Tullamore Livestock Show. For anyone not around on the weekend we will have an alternative viewing day on Sunday the 3rd of August by appointment.

# **LOT 2 LISS BILBAN Z272**

**What a lead off female we have here from Liss! This 2 year old heifer brings serious size and power to the party with a very strong set of figures to match. One of the first Lisduff Bang Bang V742 heifers ever to be put forward for sale. This pedigree brings together some of the most influential sire and cow families that have graced the Liss herd with the likes of Liss Darl R561, Te Mania Berkley B1, The Moss Black Angus M150 while combining the great Bilban and Miylo lines that have been very successful for us. This is the same Bilban cow family that produced Liss Brendan P465 top AI sire at Dovea Genetics for numerous years. This beauty sells in calf and is due to have a heifer calf on the 21st of October by Newbridge Viper.**

# LOT 3 LISS MAYLOT Z275

**The first heifer in the sale by Tullamore shows Intermediate bull class winner of 2022 Liss Dingle V936. Dingle daughters have been some of the most sought after females put forward for sale by the Liss herd in the last number of years. This sweet wide topped heifers pedigree is packed with show champions with Mogeely Dreamer T534 winning the Overall All Ireland Champion in 2019, while his full brother Mogeely Dram was junior and Reserve Supreme Champion at the 2022 All-Ireland finals before selling to Gigginstown herd to become one of their main herd sires. She sells in calf to herd sire Newbridge Viper and is due to have a heifer calf on the 16<sup>th</sup> of October.**

# **LOT 4 LISS KIM Z281**

**This is a special opportunity to combine great cow families that have worked phenomenally well in both Ireland and the UK combining powerhouse females on the show scene in both the Jody and Kim lines. An interesting genetic mix here with the hugely successful Mogeely Joe H979 crossed on the Kim line with a pedigree also including stars such as Cheeklaw Emyrs T586 whose full brother Cheeklaw Emlyn P480 was All-Ireland Aberdeen Angus Champion in 2017 at the World Angus Forum. This correct heifer is in calf to Newbridge Viper and due to calve on the 10<sup>th</sup> of December.**

# **LOT 6 LISS MINREE Z285**

**Now the one you've all been waiting for, the superstar that is Liss Minree Z285.**

**Tullamore shows reigning Overall Angus Champion. She is the only Penguin Henry M503 daughter ever to be put up for auction in Ireland, giving this heifer a real outcross pedigree. This powerful long female is from our hugely successful Minree cow family, one of our favourite cow families. Her dam Liss Minree V916 is probably the most stunning looking cow in the herd and her half brother Liss Masterstroke W013 is current senior herd sire in Alan and James Morrison's Drumeer Aberdeen Angus herd.**

**She is due a heifer calf to Newbridge Viper on the 31<sup>st</sup> of October.**

**The chance to buy a current Tullamore show champion may never come up again, so don't miss your chance here to be part of history here.**

# **LOT 7 LISS TILDA Z286**

**The Tilda line was one of the most famous cow families we ever came across in Canada over our many trips we made out there over the years. When we got the chance to purchase embryos a number of years back, it was one of the best decisions we made. This lady is practically a full outcross female for most herds in Ireland bringing together new and exciting sire Tofts Foremost Lord along with our own powerhouse herdsires Liss Darl R561 and Scholland Duncans Kommander across the Tilda cow family. This sweet heifer has all the style and stars to be one of the top females in any herd. She is due a heifer calf to Newbridge Viper on the 5th of November.**

# **LOT 8 LISS DUCKY Z288**

**Did someone say they were looking for a heifer with power, depth and style?**

**Here she is. Is she the first heifer to be sold in Ireland by the record selling \$225,000 Texas Iceman R725? All the other Iceman progeny that we have had to this date have made a massive splash in the market with one being our highest selling bull at auction and another selling to the renowned Lana Aberdeen Angus herd of Alan and Lana Cheney in Northern Ireland. Cross this with two stalwarts of the Liss Herd in Mogeely Lord Harrow M191 and The Moss Black Angus M150 and the package is complete. This beautiful heifer is possibly one of the most stunning heifers we have ever bred. She sells in calf to Newbridge Viper and is due to calve on the 20<sup>th</sup> of November.**

# **LOT 11 LISS TILDA Z296**

**These next 2 heifers are a combination of all of what's great in the Angus breed with 2 year old calved heifers producing top quality progeny weaned off grass, highlighting how the combination of old and new genetics can work well in any system. This stylish heifer comes with a great set of figures and a pedigree to match! She goes back to the imported Tilda family and three crosses of Liss bulls in Dingle V936, Bear P487 and Liss Darl R561 and by god does it show!**

**Shes due to calve on the 11/3/26 to Newbridge Viper.**

# **LOT 15 LISS MIYLO Z304**

**What a beauty. Her dam Liss Miylo V921 is by All Ireland Winner Mogeely Dreamer T534. Her great grandmother is the legendary Liss Miylo B434, An All Ireland Winner in her own right and also an incredible breeder. We have all seen the Miylo family breeding capabilities producing past herdsire Liss Marty P417, a tremendous breeding bull breeding stock bulls such as Liss Minter S590 and Liss Buster S621 and numerous other noteworthy bulls. The recent Mogeely female sale again highlighted what this amazing cow family brings to the table. It's not many cow families that can command a whopping average of €10,800 across 4 lots including Liss Miylo G863 daughter Mogeely Miylo V647 topping the sale at €20,800. She's due to calve on the 22/2/26 to junior herd sire Garranard Anthony. The only Miylo in the sale!**

# **LOT 18 LISS BLARNEY MAID A320**

**Another super Lisduff Bang Bang V742 heifer here! Lisduff Bang Bang V742 has been hugely successful for increasing frame size and length as well as completing this with adding breed character.**

**This well made, wide topped heifer comes from the hugely successful Blarney Maid family who has bred some amazing bulls and females in the Liss herd down throughout the years which included All Ireland champions, sale toppers at previous Liss sales and herdsires in some of Ireland's top pedigree herds. Another granddaughter of Liss Darl R561, this lady brings together some of the best cow families to grace the Liss herd in the Miylo, Ducky and Blarney Maid cow families. Scanned cycling and perfect.**

# **LOT 19 LISS MINREE A321**

**Here we are back again to the fantastic Minree line. This stunning long feminine female brings to the table a pedigree packed with some of the key cornerstones to the recent success in the Liss herd including Liss Marty P417 and Mogeely Lord Harrow M191. Her dam Liss Minree U799 is our current senior show cow and a truly beautiful cow. Her brother Liss Megastar B417 is this year's star show calf and just highlights the true potential of this line of cows. This cow and calf team were crowned Overall Angus Champion at this years Oldcastle Show. Former herdsires Liss Marty P417 and Mogeely Lord Harrow M191 were then combined with top AI sire Rawburn Bannockburn T628 to produce this stunning female who has a page of stars any astronomer would be happy with. She's due to calve on the 17/2/26 to Garranard Anthony.**

# **LOT 20 LISS BILBAN A323**

**Another from the famous Bilban line who's going to bring style and presence to any herd that she enters. A daughter of the quality Liss Dingle V936 and she's also a granddaughter of Cairnton Kilimanjaro U435, a purchase at the world famous Stirling bull sales. Kilimanjaro really left his stamp on the herd producing fertile females while driving milk everywhere he went. Kilimanjaro daughters were some of the top priced females at the very first Irish Aberdeen Angus Extravaganza in 2022. Scanned cycling and perfect.**

# **LOT 21 LISS BILURI A327**

**What a star here! Lovely correct heifer with an absolute abundance of style. Another cow maker here from Liss Dingle V936 and the same cow family that bred Liss Bruno Y120, Doveas superstar sire and top seller at IAAA Extravaganza at €10,500 in 2022. The addition of Cardona Proud Punch in the back pedigree combines another group of top class breeding sires for both pedigree herds and the show ring. Scanned cycling and perfect.**

# **LOT 23 LISS MIRTI A334**

**What a powerhouse heifer from the Mirti cow family! We have mentioned this cow family already today but this is another superstar to originate from the line. This thick heifer has a lovely spring of rib and style in abundance. Combining the Duchess, Mirti and Tilda lines from Liss with sires from some of the UK's top herds in The Moss and Netherton, it can't be a surprise that this pedigree has clicked! Scanned cycling and perfect.**

# **LOT 25 LISS BILBAN A341**

**The Bilbans are back with this absolute cracker. What a beautiful heifer with true breed character and the style and pedigree that a herd could be built around. Her dam Liss Bilban X065 is one of the best breeding females in the herd. Her grand sire on the maternal side Mogeely Dreamer T534 was All Ireland Ireland Champion in 2019 and her grand sire on the paternal side Liss Minter S590 was strongly involved in the recent Mogeely sale in many of the top selling lots. Her granddam Liss Bilban S616 is a full sister to Liss Brendan P465, another Dovea genetics sire. Look at this pedigree, it's just the who's who of some of the top herdsires and female lines to come out of Liss. Scanned cycling and perfect.**

# **LOT 34 LISS TILDA A361**

**Another Tilda, another timeless classic. Combining in her pedigree 3 of the top sires in living memory in Sav Net Worth 4200, Te Mania Berkley B1 and the amazing Tc Stockman 365. These bulls appear in some of the top pedigrees throughout the world and are highly sought after in pedigree circles. That combined with the Tilda line from Liss brings together a whole new world of opportunities. This extremely correct functional female is bred to produce calves that will perform on grass without concentrate. This Tilda line has produced some incredible bulls such as Liss Terminator Y191, currently standing in Bova Ai station. Scanned cycling and perfect.**

# **LOT 37 LISS KIM A371**

**Our final female from Liss comes from a line that needs no introduction. This girls grandam Liss Kim S641 is a multiple times Tullamore champion winning Overall Junior Champion in 2018, Reserve Overall Senior Champion in 2019 and the icing on the cake was Supreme Overall Champion in 2022 with her twin heifer calves at foot. One of these twin heifer calves, Liss Kim Y162 is the dam of this lot, in her own right then went on to win the January calf class on the day as an April born heifer.**

**The last Liss female on the day really has the back pedigree and the show pedigree that every herd wants. Combine this with her sire Baronagh Prince George Y384 we feel this lady offers something different.**

**Scanned cycling and perfect.**

# **LOT 48 LISDUFF ANNE A305**

**Sired by Retties Le RendezVous herd sire purchased in Stirling Feb 23 for £8,500gns. One of the first RendezVous sold for €9,200 in the recent Mogeely female phenomenon July 2025. This girl is a combination of power and shape from the sire and an injection of type from her dam sired by Bunlahy Kojak.**

# **LOT 54 LISS MR TIK TOK A360 ET**

**What a pedigree we have here! This guys dam Liss Myrlo R532 was an absolute stunner winning Reserve Senior Female Champion in Tullamore show 2017 as a 2 year old with her first calf at foot. The Mrylo line were never too far from the show ring and come from a long line of successful champions and All Ireland Winners. His sire Mogeely Joe H979 complemented her nicely here to produce this long clean bull and driving milk into the mix and leaves it a fantastic pedigree including Mogeely Lord Harrow M191 and Liss Mimbo Z297.**

## **LOT 55 LISS MEAN A364 ET**

**A quality bull here and a full brother to the last lot again showing just how well the package of Mogeely Joe H979 and Liss Myrlo R532 works. This bull is designed to leave quality progeny behind him. His great grand sire Wedderlie Blackbox J935 was one of the most successful used bulls in Ireland and direct progeny of his sold extremely well in Mogeely Aberdeen Angus recent sale.**
